1. Go to http://www.unboundmedicine.com/unbound/ub
2. Enter Your Serial Number that was E-mailed to you to begin the registration.
3. Fill out the required information.
   - Take note of the Username and Password that you create
4. After registering, click Install on the Registration Complete
5. On the next page, choose the type of device you have and you will get the appropriate instructions. Most students will have the iPod touch or iPhone.
6. Please Note: The Instructions do not cover the steps necessary to establish a connection between your device and the computer (if needed).
   - iPhone/iPod can be installed via iTunes on your computer or by navigating to the App Store on your device. In the App Store, search for and install uCentral.
   - BlackBerry is installed via your phone’s data network.
   - For Windows Mobile, you will need ActiveSync (Windows XP) or Windows Mobile Device Center (Windows Vista or Windows 7)
